

What does it entail?

- **Interior and Exterior Protection from Flying, Crawling and Stinging Insects-** Coverage on both the interior and exterior of your home from a number of pests!
- **Interior and Exterior Rodent Control-** Bait stations placed in discreet areas around the perimeter of your home to protect against rodents! (Ask about our Landscape Rocks that blend right in to your yards natural landscaping!)
- **Residual "Barrier" Treatment-** A pesticide used with enough residual to last up to 90 days after treating!
- **Who and When-** You choose which of our trained technicians you would prefer to service your home each time and you choose the time when they come each month.
- **The Exodus Way Guarantee-** If you experience pest activity indoors or between your scheduled service dates, call us back for service at no additional charge!
Call us at [585-328-0990](tel:585-328-0990) to get a **FREE** quote for your Pest Plus protection!
