

Protect your Home with Pest Express

What does it entail?

- **Exterior Protection from Flying, Crawling, and Stinging Insects-** Coverage to the exterior of your home from a number of pests!
- **Treatments at Peak Times-** A minimum of three (3) applications from April-October during peak activity seasons
- **Residual "Barrier" Treatment-** A pesticide used with enough residual to last up to 90 days after treating!
- **The Exodus Way Guarantee-** If you experience pest activity between your scheduled service dates, call us back for service at no additional charge!
Pest Express can also help to protect your home from nuisance rodents such as mice, rats, and meadow voles!

Call [585-328-0990](tel:585-328-0990) for a **FREE** quote today!

PEST EXPRESS
